Dear LifeQuest Members and Friends:

As the number of confirmed cases of Coronavirus (COVID-19) increases in the United States, health officials are advising people to take preventive measures and steps to prepare for the impact in our community. The Board is aware of your comments and concerns and we appreciate your valuable feedback.

The health, safety, and well-being of our members, their families and our employees is always our top priority. The Executive Committee, of the Board of Directors has decided to cancel the spring and summer terms and our staff will work remotely until further notice.

While we know this is a time of uncertainty, we are happy to announce we are planning a full 8-week fall term. While there are many unknowns, we will continue our momentum and move forward.

As a result, of your feedback, we have decided to have LifeQuest United Day, April 2nd. The Board has pledged a matching gift of \$2,000.00. We want you to consider donating your spring payment as a portion of your LifeQuest United donation. If this is not the best time to donate, we will be happy to issue you a full refund. There will be another opportunity to give, at LifeQuest Gives in the fall. You may let us know how to proceed with your spring payment by emailing [info@lifequestofarkansas.org](mailto:info@lifequestofarkansas.org) or leaving a message with your request at 501-225-6073. If you have not yet registered for the spring term, please consider your donation.

The staff is working to develop ways to stay connected with our community through our FaceBook page. Please follow us at <http://facebook.com/lifequestofarkansas> or visit our website at [www.lifequestofarkansas.org](http://www.lifequestofarkansas.org)
